CLERK: Mr. President, there are amendments offered by Senator Whitney. Strike, etc. (Clerk read amendment).

PRESIDENT: Chair recognizes Senator Whitney. Senator Whitney, while you're finding that, the Chair would like the unusual opportunity of introducing former Clerk of the Legislature Hugo Srb who is back under the south balcony and I know the Body would want to join me in welcoming Hugo Srb back to the haunts here. So, let's give him a hand, please. Hugo, we're pleased to have you back today, I wish you'd been up here giving me a hand today. Senator Whitney, back to you.

SENATOR WHITNEY: Mr. President, I move the amendment be adopted. The committee inadvertently deleted something from the bill and I have talked to each member of the committee and they feel it should be put back in the way the law is at the present time. So it was just an inadvertent deletion in the original law. So I move the....amendment be adopted.

PRESIDENT: The question is, shall you adopt the Whitney amendment to LB1003 on Select File. If you do vote aye, all those opposed vote no. Senator Whitney is attempting to amend LB1003 on Select File. Once again, have you all voted?

SENATOR WHITNEY: I need a couple extra votes.
